Ekagra Gupta

Technical Skills: Python, C++, Java, JavaScript, ReactJS, SQL, MongoDB, ExpressJS, NodeJS, Cybersecurity, Machine Learning, Scikit-Learn, Django, Flask.

EDUCATION			
Board	Tenure	Educational institution	CGPA/Percentage
B. Tech (CSE) Cybersecurity	2023 – 2027 (Ongoing)	VIT Bhopal University, Sehore	8.5/10
Class XII	2020 - 2022	Bal Vidya Mandir, Lucknow	85.6%
Class X	2018 - 2020	Maharaja Agrasen Public School, Lucknow	85.2%

PROJECTS	
Red-Team Toolkit, (Sept 24 – Jan 25)	▪ Description: Built a Python app to automate web vulnerability checks like SQL Injection, XSS, domain discovery, and port scanning for faster cybersecurity testing. ▪ Technology: Python, Selenium, whois, socket, PyQt6. ▪ Team Project: 5 Members. ▪ Role: Led development and integration of modules for vulnerability detection and network analysis.
Flight Delay Prediction, (June 25 – July 25)	▪ Description: Led end-to-end development of flight delay prediction application; personally, wrote over 2,000 lines of code, including data preprocessing scripts and model training pipelines. ▪ Technology: Python, scikit-learn, Pandas, NumPy, Matplotlib, Seaborn, Flask, HTML, Jupyter Notebook, Git. ▪ Role: Led end-to-end project development including data preprocessing, model building, evaluation, and web app deployment

INTERNSHIP	
The Red Users (Mar 25 - apr25)	▪ Role: Cyber Security Intern ▪ Location: Remote ▪ Description: Conducted vulnerability assessments and network traffic analysis using Wireshark, OWASP ZAP, and WebGoat. Identified and mitigated security risks such as SQL Injection, XSS, and CSRF, and documented recommendations to strengthen web and network security.

CO-CURRICULARS	
Courses and Certifications	▪ Microsoft Certified Security, Compliance, and Identity, Microsoft. ▪ The Bits and Bytes of Computer Networking, Google. ▪ Blockchain and its Applications Blockchain and its Applications, NPTEL. ▪ Journey to Cloud: Envisioning Your Solution, IBM. ▪ Introduction to Generative AI, Google Cloud Skills Boost. ▪ Generative AI for Developers Learning, Google Cloud Skills Boost. ▪ Full Stack Developer Bootcamp, GeeksforGeeks.

EXTRA-CURRICULARS AND ACHIEVEMENTS	
Achievements	▪ Secured 2nd place in the event Mystery Manor held by Cyber Warriors Club, VITB.
Responsibilities	▪ Lead – Social Media Team, Eureka Club, VITB.
Extracurricular	▪ Participant, CodeRed, NITK. ▪ Participant, KashiCTF, IITBHU.

ADDITIONAL INFORMATION	
Core Competencies	Communication, teamwork, problem-solving, adaptability, leadership, work ethic, interpersonal skills, creativity.
Hobbies	Reading tech blogs and articles, playing chess, music, and photography.
Languages	English, Hindi.
